

## Women'sVision Leadership Institute 12 month in depth program

*Progressive. Interactive.  
Leading Edge.*

**No other leadership development program will make such a profound difference in your career!**

Recent research indicates that the corporate workplace is becoming more and more competitive.

Clearly, in order to keep advancing in your career, it's imperative that you enlist the highest quality, most progressive leadership development program available anywhere.

If you're determined to keep up with the competition and become the most effective leader you can be, Women'sVision Leadership Institute is the program for which you've been searching.

Don't wait any longer. Call us today for more information.

### **Women'sVision Leadership Institute offers you:**

- Learning in each monthly workshop that you can put to work immediately.
- Limited class size allowing for strong interaction among participants and industry experts.
- Private, professional weekly coaching, plus monthly coaching involving your mentor and your corporate manager.
- A Personal Development Plan, involving your mentor and corporate manager. (If you don't have a mentor, we'll help you get one!)
- Networking with women from top corporations.

“

*After checking out other programs, it was clear to me that the Institute offered a unique combination of content, application and coaching. It's a year in length, giving me the opportunity to apply what I was learning (with my coach's help) in between sessions.”*

Monica Hahn, VP, Marketing,  
ARAMARK Sports Entertainment

**More than 80%  
of the women  
in this program  
get promoted.**

**A recent study of Fortune 500 companies reveals that companies with the highest representation of women on their top management teams experienced a 35.1% higher Return on Equity and 34% higher Total Return to Shareholders than those companies with the lowest women's representation.**
